

MOUNT LAUREL COMMUNITY EDUCATION PRESENTS:

Have a blast this summer at

Camp Canfield: Reading and Writing Funny Stories!

Featuring all new Material, Content, and Activities for 2020!

Join Hartford Language Arts teacher **Ms. Canfield** for a fun-filled week learning how writers create humor in stories, poems, and movies, and then use what you learn to write your own funny stories!

Parents will love "Camp Canfield" because students will keep their reading and writing skills sharp while receiving one-on-one coaching and feedback from one of Hartford School's Language Arts teachers.

Students will love "Camp Canfield" because they will have fun reading stories and poems, watching movie clips, playing Language Arts games, and writing funny stories and scripts with no homework, rubrics, or grades to worry about!
