

## ***A Path to Success 2030***

### *Minutes from the November 2, 2017 “Points of Pride” Meeting:*

During the first part of the evening activities, participants were seated at tables in random and self-selected small groups. The challenge question was to identify points of pride and accomplishments that describe Mount Laurel Schools. Participants first noted their individual thoughts, shared their impressions and then presented the Group’s consensus report. Summarized below are the perceptions presented by 30 working small groups.

The next meeting is set for Thursday, November 30 and will begin precisely at 6:30 p.m. at the Hartford School. The meeting theme is **Setting Our Expectations For The Future**. Participants will discuss changes and initiatives needed in the Mount Laurel Schools going forward.

Following are the main ideas and supporting ideas from the 30 groups participating in the November 2 session. *(Please note that group numbers are not in sequence because some numbered sheets were on tables that were not occupied by a group.)*

---	--

25. Caring teachers
26. Knowledgeable teachers
27. Helpful parents
28. Keeps up on trends
29. 21<sup>st</sup> Century learning using tech
30. Administrative support and guidance
31. Team players

#### **Group 4**

##### **Consensus Report**

1. Technology supporting school system
2. 21<sup>st</sup> Century Skills
3. Whole child, social emotional development
4. Growth mindset vs. Fixed
5. Character & Citizenship
6. Okay to make mistakes
7. Gifted & Specialized Programs
8. Community engagement – PTO, Board, After-School Clubs, extracurricular activities
9. Hands-on Science Program
10. Social Media, multiple communication channels
11. Transportation system reliability

##### **Summary of Individual Reporting**

1. Whole child – character and citizenship emphasized at Springville
2. Clubs
3. Writing with emphasis on content and ideas first, allowing spelling and grammar to follow
4. Chromebooks are great; amazed at how student navigates computer at home to accomplish goals on both schoolwork and creative projects
5. Some movement is allowed, as illustrated in book “Spark,” it is essential to neuron growth. Please read case in Chicago schools and the incredible leap forward in real learning.
6. I really like our new Science program.
7. I like my Math Club
8. I want a class pet!
9. I want electronics to play on!
10. I like lunch.
11. I like recess and think there should be more.
12. I think recess should be in all schools.
13. This exercise – community engagement
14. Use of multiple communication channels – web, Twitter, e-mail
15. GAP Program, accelerated programs from 5<sup>th</sup>-grade, after-school STEM Programs at Harrington, Clubs
16. Kindergarten teachers using appreciation and motivation
17. Generally, time-efficient, convenient bus pick-up and drop-off
18. Focus on anti-bullying message/teaching
19. Technology in Fleetwood Elementary School
20. Effort to focus on whole child – Habits of Mind, Social-Emotional Learning, Growth Mindset, Responsive Classroom
21. Really like the way our specialized programs serve students, like: English as a Second Language, Gifted and Talented, Preschool Programs, Programs and services for students with disabilities

36. Access to technology
37. Small school size (4 teachers per grade level vs. 10 teachers per grade level)
38. Variety of supervisors to provide insight, coaching, and professional development
39. Well-rounded, knowledgeable teaching staff to provide professional development
40. 1:1 Chromebooks
41. Offering preschool for regular ed students
42. Offering the breakfast program (although only at a few schools)
43. Inclusion/co-teaching at all schools
44. Small “ish” class sizes
45. Studying full-day kindergarten

#### **Group 23**

##### **Consensus Report**

1. Diversity
2. Variety of Clubs and Course Offerings
3. Caring about the whole child

##### **Summary of Individual Reporting**

1. Extra-curricular activities
2. Emphasis on teaching students in class instead of relying on homework assignments
3. Attendance records and punctuality
4. Before and after-school programs at elementary
5. Parent-Teacher Conferences
6. Technology
7. Bus system
8. School clubs/activities
9. PowerSchool
10. Chromebooks
11. Classes and electives
12. Unified community (inclusive)
13. Inclusion – Co-Teaching
14. Teacher autonomy
15. Proud and growing community
16. Respect for innovation and effective ideas
17. Emphasis on the whole child
18. Focus on effort and student growth
19. Increasingly diverse community
20. Diversity – economic, race, religion, academic interests
21. Academic offerings – variety – Honors to Special Needs, Music, Arts
22. People care about each other
23. School spirit
24. Majority are prepared for high school

#### **Group 25**

##### **Consensus Report**

1. Parent and Community Support and Involvement
2. Inclusion of Special Needs and Diversity
3. Extra-curricular activities supported and open to all students
4. Technology advances – Computers for all students

##### **Summary of Individual Reporting**

1. Including community in schools
2. Happy students
3. Continual advancements in technology
4. New young teachers

22. Our schools embrace creativity and innovation – teachers really enjoy pursuing teaching and learning strategies that bring out the best in all students
23. Advances in technology – 1:1 Initiative & Google Classroom
24. PTO's are so vibrant and enthusiastically involved in all of our schools!
25. PTO – Springville – Fund-raising for extra activities
26. Teacher Conferences

**Group 5**

***Consensus Report***

1. Caring community, approachable engaged administrators and teachers
2. Outstanding extra-curricular activities (Music and STEM) specifically SeaPerch and MATE Programs with Ms. Barrett
3. Overall child development including leadership skills public speaking, business and presentation skills, teamwork. It helps challenge kids to think outside the box and expands kids' comfort zone to excel in life.

***Summary of Individual Reporting***

1. STEM Program at Harrington- Maureen Barrett, Jessica Ashman and Christina Paterno. SeaPerch and MATE Underwater Robotics Program – incredible devotion, time commitment – teaches kids leadership, public speaking, value of hard work and commitment, business concepts as well as technical/engineering concepts
2. Mr. Chris Newman at Hartford – creative, dynamic teacher – “out of the box” thinking, engages students with real-life applications of concepts
3. Programs for “gifted” students, esp. at Springville
4. Rewards for smart kids; not just athletes.
5. A community that cares about kids
6. A community that cares about education and succeeding future generation
7. Family-oriented people
8. Diversity that mixed race and origin creates
9. Structured activities in schools
10. 5<sup>th</sup> through 8<sup>th</sup>-grade all in same school. They get a sense of belonging.
11. Zero tolerance for drugs and bullying
12. Great, approachable teachers and staff
13. Extracurricular activities
14. Feelings of pride in each school
15. High level of instruction and caring
16. Community use of buildings after hours
17. Preparedness for Lenape
18. Administrator, teacher, student, parent relationships
19. Communication
20. Accelerated mathematics program in upper elementary and middle schools
21. SeaPerch and MATE Program in middle school with Ms. Barrett – very good exposure to kids that provides opportunity to be on the world stage
22. Comforting and always positive attitude of the

5. Continued education for all staff
6. Open BOE meetings
7. Positive test scores
8. Special needs of all students are being considered
9. Special programs available to all students
10. Award-winning STEM Programs
11. Participation of school district personnel at community events
12. School/business communication and sharing
13. Public Ed Fund
14. Parent involvement
15. PTO
16. Parent-teacher relationship
17. Extracurricular activities
18. General community involvement
19. Individual student attention
20. STEM initiatives
21. Chromebooks for all students
22. Class choice – HMS electives
23. Number and variety of clubs/activities offered after school
24. Mount Laurel Public Education Fund support (financial)
25. PTO support – clubs, dances, etc.
26. Late buses offered for after-school activities
27. No charge to parents for after-school activities
28. Supportive board of education
29. Level of professionalism by teachers
30. Parent involvement
31. Early childhood programming
32. Open to new ideas and initiatives
33. Inclusion of special needs and diversity

**Group 26**

***Consensus Report***

1. Supportive learning/working environment
2. Home-School Partnerships (PTOs)
3. Technology Use
4. Students - Diverse Learning Population
5. Effective clubs and activities

***Summary of Individual Reporting***

1. Teachers
2. Grade levels across the district coming together for workshops
3. After-school programs
4. School/Family involvement activities: Unity nights, fests, etc. (PTO)
5. Students
6. Effective and hard-working staff members
7. Feels like a “family”
8. Access to materials and needed resources for students
9. Diverse and unique
10. Community outreach programs and clubs are very involved
11. Wonderful PTO and excellent parent involvement in all fundraisers
12. Teachers really show initiative and always give their ALL for their students
13. Unified and strong like the tree in our Mount Laurel symbol

teachers towards kids

23. Teachers are very approachable for parents
24. Elementary and Upper Elementary Schools prepare kids well for middle school

#### **Group 6**

##### ***Consensus Report***

1. Sea Perch and MATE Underwater Robotics Teams at Harrington - taught us teamwork, communication, leadership, collaboration, business skills, professionalism, application of knowledge, and to put 100-percent effort, 100-percent of the time.
2. Clubs at Hartford
3. Great Teachers: Ms. Relly, Ms. Barrett, Mr. Zilberfarb, Mr. Newman, Mrs. Paterno, Ms. Ashman, Mrs. Canfield and many more. Helpful, kind/caring, help you understand and apply knowledge to the outside world
4. Successful District – encouraging programs, anti-bullying, large variety of opportunities

##### ***Summary of Individual Reporting***

1. Sea Perch is an underwater robotics program in which schools build robots as a team and compete against other teams. It promotes hands-on learning, application of knowledge teamwork and business skills.
2. MATE is also an underwater robotics program. It is very similar to SeaPerch, but is more complicated and promotes more professionalism, learning and skills.
3. Both clubs are run by Ms. Maureen Barrett, the STEM Teacher at Harrington Middle School. Sea Perch's assistant coach is Ms. Jessica Ashman, and MATE's assistant coach is Ms. Christina Paterno.
4. National Elementary Honor Society at Hartford is a program where you do community service for Mount Laurel
5. Student Council has kids who help teachers figure out what kids might want
6. The Hartford Scoop lets kids write what they want
7. Hartford teachers help when you don't understand the work
8. Sea Perch and MATE Teams
9. Team Success
10. Great Teachers
11. Teamwork skills
12. Encouraging programs
13. Commitment
14. Advanced extra-curricular programs
15. I like my teacher, Mrs. Reilly.

#### **Group 7**

##### ***Consensus Report***

1. Teacher collaboration – students first
2. After-school activities (clubs, sports)
3. Focus on Technology (STEM, 1:1 Initiative)
4. Opportunity to take advanced course work (electives, compacted math)
5. Commitment to community service

14. Technology – iPads, Chromebooks, Active Boards
15. Caring teachers
16. Clubs
17. Working garden
18. PTO
19. Diversity of student population
20. Teachers
21. Programs
22. After-school clubs
23. Technology – iPads, Chromebooks, teacher laptops
24. Transportation
25. Location
26. Curriculum
27. Lunch program – free/reduced lunch
28. PTO

#### **Group 27**

##### ***Consensus Report***

1. Teachers – good and caring
2. Technology updates/resources
3. Curriculum
4. Activities/clubs/events
5. Services for gen. ed/spec. ed
6. Parent/Community Involvement
7. School Leadership (District)
8. Parent Communication

##### ***Summary of Individual Reporting***

1. Fleetwood community
2. Fleetwood PTO
3. In-Class resources
4. Communication with teachers
5. Community involvement
6. Teachers
7. Curriculum
8. Technology updates – iPads, laptops
9. STEM
10. Activities for kids and adults
11. Music Program (instrumental)
12. Superintendent
13. Buses, late buses
14. Clubs for kids after-school
15. Teacher – Sp. Ed., Gen. Ed., Advanced
16. Curriculum – Reading
17. All students have computers/laptops
18. Playgrounds – newer equipment
19. Very good teachers
20. High level of parent involvement
21. Services for students with all kinds of needs
22. Good use of electronic communication
23. Students generally have the resources they need
24. Blue Ribbon School District
25. Leadership (down to earth, knowledgeable, forward-thinking)
26. Welcome letters sent home to kindergarten students before they start
27. Fleetwood PTO (parent participation/involvement)
28. Incoming student reading assessment done in person
29. Variety of activities for students and opportunity for parent involvement

### **Summary of Individual Reporting**

1. Extra-curricular activities
2. Enhancing programs
3. Teacher to student connections/communications are strong, ex. Google Classroom
4. Collaboration amongst staff members putting students FIRST!
5. Treating students, parents and other colleagues with respect
6. Always striving for improvement
7. Considering flaws and trying to remedy them as soon as possible
8. After-school activities (i.e. Brick for Kids, cooking class)
9. Classroom size
10. IT – computer class
11. Advanced classes (i.e. compacted math)
12. Caring Staff
13. PTO – fundraising
14. Many choices
15. Caring staff
16. Strong STEM Programs
17. Commitment to community service
18. High school offerings that provide students with a jump start to high school
19. Extensive clubs, extra-curricular activities
20. Extensive interscholastic sports programs for boys and girls
21. Responsive Buildings and Grounds Department
22. Buildings and grounds well-maintained
23. Chromebook 1:1 Initiative
24. STEM, robotics
25. IT – Computer use
26. Administration
27. Parents, PTO Fundraising
28. Social activities for kids - Recess runners
29. Classroom size
30. Parent engagement
31. Special programs such as compacted math

### **Group 8**

#### **Consensus Report**

1. Classrooms well supplied with new materials and technology
2. Teaching staff supports each other
3. Collaboration effort for every child's education and well-being
4. A majority of parents are involved, supportive and generous

#### **Summary of Individual Reporting**

1. Common planning time
2. Support from all staff
3. Collaborative process
4. Most parents are very involved
5. Technology – laptops, projectors
6. Classroom supplies
7. Clean building
8. Length of school day and school year
9. Daily prep time
10. Generosity of parents

30. Opportunity for stakeholder voice and collaboration (Path to Success)
31. Registration process
32. Online lunch portal and Daycare Works online system
33. Fleetwood teachers' compassion for students
34. Professionalism amongst teachers and administrators
35. Print environment in schools
36. Media Specialist

### **Group 28**

#### **Consensus Report**

1. Innovation
2. Respect for all students – inclusion
3. Focus on whole child
4. Professional Development

#### **Summary of Individual Reporting**

1. Responsive Classroom – teaching communication skills
2. Inclusion and meeting the needs of learners at their levels
3. Technology integration
4. Embracing new ideas and fine-tuning old ones
5. Changing the way we approach professional development (ex. Working with Franklin Institute, looking into Ed Camp model)
6. Making space for students to pursue their passions – Genius Hour
7. Communicating with parents in new ways
8. Unity families and service-based projects
9. Growth Mindset
10. Library open space
11. Professional development – commitment to learning (CPT, Partnerships)
12. Importance of STEM Education
13. Diversity
14. Commitment to staying ahead of the curve in technology – innovation
15. Teachers who are eager to learn
16. District support of what is best for children
17. Desire to not be complacent – always improving, valuing expertise
18. Respect all students
19. Not just concerned with test scores – student-centered, Habits of Mind
20. 1:1 Chromebook initiative
21. New Science curriculum
22. Tech Support
23. Journeys Program – leveled readers, additional resources
24. Push-in services
25. After school clubs, activities
26. STEM
27. Unity Families
28. Common planning time
29. Growth Mindset
30. Ed Camp
31. Professional development – Franklin Institute
32. Supervisor support
33. PTO
34. One Book, One School

11. Classrooms are well supplied, new materials available
12. Quality teaching staff that goes above and beyond for the students in their classes and schools
13. Availability of technology (smart boards, laptops)
14. Time given to plan on grade level
15. Openness to new ideas and methods
16. How teaching staff support each other
17. Student safety is a priority and there is good communication when an emergency arises
18. I feel respected by administration
19. Administrators are willing to allow teachers to take educational risks and encourage them to do so
20. Most of our instructional materials are fresh and innovative
21. 1:1 Chromebooks
22. Professional development is growing and relative to changes being initiated
23. Parents are supportive
24. There is excitement from the students in regards to Maker Space and Genius Hour
25. "Failing" is okay
26. Love seeing the firemen coming to the elementary schools
27. Every teacher I know has something positive to say to several kids a day – whether or not they are the children's teacher
28. There are opportunities for kids to celebrate their accomplishments with families during art shows, theater productions, parent luncheons, etc.
29. Kids have the great advantage of hearing about personal experiences of their teachers, which brings awareness to kids about what being a good citizen is and how to learn outside the classroom – learning happens everywhere

### **Group 9**

#### ***Consensus Report***

1. Programs – STEM/Gifted, Special Needs, Clubs
2. Communication – Parents and Staff
3. Community Involvement – PTO
4. Dedicated Staff

#### ***Summary of Individual Reporting***

1. Prompt, detailed communication from all levels of district
2. Dedicated staff
3. Community Involvement
4. PTO
5. Curriculum seems appropriate and challenging so far
6. Science – hands-on learning
7. Math – Hands-on discovery
8. After-school clubs, groups, with transportation provided
9. Recess runners program – motivating
10. Fleetwood Pride Groups – across grade levels
11. Habits of Mind learning in second grade
12. Involved teachers outside of school hours – PTO functions, clubs, groups
13. Emphasis on arts, drama, music

### **Group 29**

#### ***Consensus Report***

1. Curriculum- Advanced placement, STEM, Responsive Classroom
2. Technology
3. Small Classroom sizes
4. Activities and supports for all students – Clubs, electives, PTO, Community

#### ***Summary of Individual Reporting***

1. Community pride
2. Advanced classes
3. Sports and Clubs
4. Small classes
5. Dedicated teachers
6. Excellent support staff
7. Great Facilities
8. Technology for all grades
9. Collaborative classroom (Responsive Classroom)
10. Pride in school T.I.M.E. Mentor Program
11. Art classes
12. Theater
13. Opportunities for all kids
14. Great PTOs
15. Dedicated Parents
16. After-care program
17. Class size
18. Technology
19. Support for students
20. Harrington electives
21. STEM Program
22. Clubs
23. Collaborative classrooms
24. Emotional support available
25. Special needs programming
26. Wonderful teachers and admin. Staff at Hillside, Hartford and Harrington
27. PTOs
28. Diverse student population
29. Responsive Classroom
30. Electives
31. After-school clubs and socials, particularly at Harrington
32. Anti-bullying policy and adherence
33. Technology – Chromebooks, staff websites, communication methods (Power School, Remind)
34. STEM Program
35. Science curriculum
36. Current grade configuration helps students transition and gradually increase responsibility – small supportive environment
37. Special education collaboration and supports
38. Small classroom sizes
39. Tutoring
40. Before/after school programs affordable and reasonably-priced
41. Great STEM Program
42. Great PTO
43. Good community support for all students
44. Dedicated staff

### **Group 34**

14. Dedicated principal – wants what is best for students
15. Technology – active boards, Chromebooks
16. School environment -feels like family
17. Supportive parents
18. Communication
19. Community events
20. Guidance and support from co-workers
21. Kid-centered
22. Dedicated staff
23. Implementation of Responsive Classroom
24. Use of technology
25. Communication with parents
26. Relationships – community involvement, PTO
27. Fundamentals – back to basic curriculum approach coupled with constructive hands-on curriculum (grammar, spelling, vocabulary, textbooks, specific programs)
28. STEM/Gifted Programs
29. Programs for special needs students
30. Communication
31. Staff
32. PTO – community involvement
33. Building administrations
34. Small class sizes
35. STEM/STEAM Programs

#### **Group 10**

##### ***Consensus Report***

1. Parental involvement/PTO
2. Diverse selection of extra-curricular activities
3. Engaged and committed faculty and staff
4. Ample resources for curricular programs

##### ***Summary of Individual Reporting***

1. Engaged school counselors
2. Administrators supportive of supplemental programs
3. District-wide implementation of technology (chromebooks)
4. Diverse selection of school clubs
5. Diversity
6. Positive work environment
7. Supportive administration
8. Professional development on curriculum
9. Staff members
10. PTO
11. Great teachers
12. Many extra-curricular activities
13. Beautiful well-maintained buildings and grounds
14. Children get a great education
15. Before and after daycare
16. Summer camp on premises
17. Mount Laurel is known for its great school district
18. A certified nurse in every building
19. Parent involvement
20. Dedicated educators
21. Program support
22. Strong administrative cadre
23. Adequate resources
24. Strong PTO
25. Support for struggling learners
26. Diversity

#### ***Consensus Report***

1. Safe Facilities
2. PTO – Parental Engagement
3. Technology (1:1)
4. Lines of Communication – Parents/teachers and Parents/Principal

#### ***Summary of Individual Reporting***

1. Technology – 1:1 Chromebooks, Smart Boards
2. Lines of communication – Parents & teachers, Parents and principals
3. PTO – Events, fund-raising, after-school clubs
4. PARCC (curriculum) – Journeys, preparation
5. PTO support of activities
6. Variety of electives at middle school – engage kids to be aware of life skills and problem-solving
7. Facilities Management
8. 1:1 Initiative – Chromebooks
9. Students come first always
10. Committed staff
11. Facilities are maintained
12. PTO support for students
13. Parental engagement
14. School safety support from Mt. Laurel Police and Fire Departments
15. Expert, caring, approachable administrators
16. Engaged PTO
17. Faculty care about academic social development

#### **Group 35**

##### ***Consensus Report***

1. Focus on students with ample programs and support to meet their diverse needs
2. Cohesiveness of the board, administration, teachers, support staff, families, students and community
3. Students own their learning and drive instruction
4. Sense of belonging within the schools, district and community

##### ***Summary of Individual Reporting***

1. Ownership of learning
2. Communication
3. Close-knit community – parental involvement and support
4. Ample opportunities for students, parents and staff to become involved in district-wide activities and initiatives (leadership roles)
5. Provide a warm and welcoming learning environment
6. Communication with parents/families
7. Parental support
8. Support from administration
9. Having what we need to make our teaching/students be successful as far as supplies and PD
10. Relationships amongst peers and with families
11. Students with diverse backgrounds
12. Lots of programs to meet students needs and support
13. Small class sizes most years
14. Having students drive their learning
15. Diversity of students

27. After-school clubs
28. Summer Camps
29. Support for the Arts
30. A sense of family

**Group 13**

**Consensus Report**

1. Dedicated teachers and Staff
2. Supportive and actively-involved parents
3. Extra-Curricular opportunities – Recess runners, physical fitness, Maker Space, News Program, Art Club, Yoga Club, Cooking Club
4. Technology (1-8)

**Summary of Individual Reporting**

1. Mr. Joe – the aide at Fleetwood
2. Custodial staff at Fleetwood
3. All the teachers – especially specials
4. STEM Program
5. Parent involvement with teachers at special events – field day, fun run, physical fitness day
6. Offering daily breakfast
7. Recess runners during recess three times a week
8. Chromebooks for every student
9. Having regular programs that get parents in the school to interact with students – library volunteers, recess runners, book sale, parties
10. Prompt responses from bus department and Child Study Team to parental concerns
11. Diversity of community at Fleetwood
12. Specials teachers going above and beyond regular classes – Art with a Sprinkle, Physical Fitness Day, Concerts, Book sale
13. After-school events – cooking, yoga, homework club
14. Bucket Fillers
15. PTO support
16. Parent support
17. Money for teachers' supplies each year
18. Support for teachers – New Early Childhood Education Supervisor
19. Dedicated teachers
20. 1:1 Technology initiative
21. Maker Space Monday option

17. Community events hosted at schools

#### **Group 49**

##### ***Consensus Report***

1. Clubs – Amount of choices allows kids to develop their interests
2. Parent involvement and participation
3. Before and after-school care essential for working parents
4. Dedicated staff that's available/accessible at all levels

##### ***Summary of Individual Reporting***

1. Parents/families actively engaged
2. School system has a great reputation – reason people move to Mount Laurel
3. Both my kids went through Mount Laurel Schools – their K-8 experience prepared them well for success in high school and now both are succeeding in college
4. Many extracurricular opportunities – especially once students reach HF
5. Attract good teachers – our school system is viewed as a good place to work
6. Schools are age-appropriately divided
7. EKO essential for working parents

**Group 20**

**Consensus Report**

1. Small class sizes
2. Forward-thinking district
3. Access to technology
4. Responsive Classroom
5. Availability of Pre-K programs / special education
6. Extraordinary teaching staff/support staff
7. Extraordinary parents
8. Lasting relationships with staff beyond Mount Laurel
9. STEM
10. Next Generation Science

**Summary of Individual Reporting**

1. We stay current and abreast of what's new and best for students
2. We have the resources to try and do the best for ALL students
3. Our reputation is a draw for many people to move here
4. Our programs are known, our scores are known – the education is “A Good One”!
5. Teachers want to teach here; parents want their kids to learn here
6. My own children – now in college and working – have bonds with many teachers they have had over the years – still stay in touch – their teachers had a great influence on them and their future paths
7. Class size
8. Forward thinking: Brain-based learning - Habits of Mind

8. Good amount of sports activities to gain student interest
9. Before and after-school care for working parents
10. When I've needed help or inquired about something, someone has always been available to help
11. I love the dedication that my family has experienced from some of my son's teachers
12. Appreciate the additional help from staff, specifically at Larchmont
13. Hartford School offers a variety of after-school programs
14. Schools are high-achieving
15. Renowned special education program
16. Have a Communications Director, which many schools do not have
17. Nurses in every building
18. Awesome website
19. School Security Officer
20. Continually maintained buildings and grounds
21. In-house (not contracted) custodians, buses and drivers
22. Transition partnership from Harrington to Lenape
23. STEM/STEAM Programs
24. Parent support and Involvement
25. PTOs
26. GAP Program
27. Clubs
28. Strong curriculum
29. Approachable administration
30. Students who love to learn
31. Support services for low and high
