HARASSMENT, INTIMIDATION AND BULLYING

The Mount Laurel Township School District Board of Education believes that a safe and civil environment in school is necessary for pupils to learn and achieve high academic standards. Since pupils learn by example, school administrators, faculty, staff, and volunteers are required to demonstrate appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment, intimidation or bullying. Harassment, intimidation or bullying, like other disruptive or violent behaviors, is conduct that disrupts both a pupil's ability to learn and a school's ability to educate its pupils in a safe environment. Therefore, the school district will not tolerate acts of harassment, intimidation or bullying.

The board of education expects all pupils to treat each other with civility and respect and not to engage in behavior that is disruptive or violent. The board expects pupils to conduct themselves in keeping with their level of maturity, with a proper regard for the rights and welfare of other pupils, for school personnel, for the educational purpose underlying all school activities, and for the care of school facilities and equipment.

The standards of character education are an essential component of the Mount Laurel Township School District's Code of Conduct. The board believes that with the appropriate infusion of character education into the school curriculum, modeling of appropriate behavior by adults; support and assistance of pupils in school, the community and home; our pupils will achieve the above standards of character education.

The board prohibits acts of harassment, intimidation or bullying against any pupil. School responses to harassment, intimidation and bullying shall be aligned with the board approved code of pupil conduct which establishes standards, policies and procedures for positive pupil development and pupil behavioral expectations on school grounds, including on a school bus or at school sponsored functions. The chief school administrator shall be responsible for ensuring the prompt investigation and response to all reports of harassment, intimidation and bullying committed on school grounds, at school activities and on school buses. In addition, the chief school administrator shall ensure that this policy is applied to incidents of harassment, intimidation and bullying that are committed off school grounds in cases where a school employee is made aware of such actions. The chief school administrator has the right and authority to impose a consequence on a pupil for conduct away from school grounds that is consistent with the board's approved code of pupil conduct, pursuant to [N.J.A.C. 6A:16-7.1](#) and [N.J.A.C. 6A:16-7.6](#).

This authority shall be exercised only when it is reasonably necessary for the pupil's physical or emotional safety, security and well-being or for reasons relating to the safety, security and well-being of other pupils, staff or school grounds, pursuant to [N.J.S.A. 18A:25-2](#) and [18A:37-2](#), and when the conduct which is the subject of the proposed consequence materially and substantially interferes with the requirements of appropriate discipline in the operation of the school. The board directs the chief school administrator or his or her appropriately trained and qualified designee to develop detailed regulations suited to the age level of the pupils and the physical facilities of the individual schools.

Bullying is unwanted, aggressive behavior that may involve a real or perceived power imbalance. "Harassment, intimidation or bullying" is defined as any gesture, any written, verbal or physical act, or any electronic communication, whether it be a single incident or a series of incidents, that is reasonably perceived as being motivated either by any actual or perceived characteristic, such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression, or a mental, physical or sensory disability, or by any other distinguishing characteristic, that takes place on school grounds, at any school-sponsored function or on a school bus, or off school grounds, in accordance with law, that substantially disrupts or interferes with the orderly operation of the school or the rights of other pupils, and that:

- A. A reasonable person should know, under the circumstances, will have the effect of physically or emotionally harming a pupil or damaging the pupil's property, or placing a pupil in reasonable fear of physical or emotional harm to his/her person or damage to his/her property; or
- B. Has the effect of insulting or demeaning any pupil or group of pupils; or
- C. Creates a hostile educational environment for the pupil by interfering with the pupil's education or by severely or pervasively causing physical or emotional harm to the pupil.
