

DAY CARE & BABYSITTING

Your child is assigned to the bus stop closest to your residence. All transportation is automatically determined to be to and from home. If your child needs to be transported to and/or from a babysitter's residence or a day care facility, the request must be in writing. Please use the form on the following page to request babysitting/day care bus arrangements. These arrangements normally take 5 business days to begin. Transportation can only be provided to the daycare facilities listed for your school.

Alternate transportation arrangements are made available as a courtesy. These arrangements must be for 5 days per week and are only permissible when there is room on the bus. (Policy 3541.1)
