

May 4, 2009

Dear Parents and Staff,

We have had quite a few requests for a list of items that the School Store carries and their cost. It seems to be the time of year when all of those supplies that we purchased in September are starting to dwindle. Below you will find the inventory that is *usually* in stock. These are basic school supplies. We also carry a variety of novelty items which change frequently and therefore cannot be listed here. Remember, the School Store is open every Wednesday during the lunch hour.

Thank you,

The PTO
