

QUESTIONING AND APPREHENSION

In order to protect pupils' rights during the time they are under school control, the principal shall interview every person who wishes to question a pupil on school property during the school day. The chief school administrator shall be informed of such incidents.

**Law Enforcement Officers**

- A. If a law enforcement officer has an arrest warrant, the principal shall ensure that all procedural safeguards as prescribed by law are observed. No pupil shall be taken from the school without the knowledge of the principal or other person in charge of the school. The principal shall make every reasonable effort to notify parents/guardians. The chief school administrator shall be informed whenever such apprehensions take place.
- B. If a law enforcement officer has a juvenile complaint or wants to question a student on school property, the principal shall request that the questioning be delayed if possible until the parents/guardians can be present. If the officer demonstrates that the situation requires an immediate response and the principal is convinced that the situation justifies questioning, he/she must attempt to have the parents/guardians informed immediately and shall remain with the student during the questioning.
- C. If the law enforcement officer is an agent of the Division of Youth and Family Services (DYFS), the agent shall determine whether the presence of a parent/guardian or school employee is appropriate.

**Individuals Other Than Law Enforcement Officers**

If an individual other than a law enforcement officer wishes to question a pupil on school property during the school day, parents/guardians shall be notified of the request and shall give their permission before the principal will permit the person other than a law enforcement officer to question the pupil. In cases involving possible harm to another pupil that might be prevented by early information, the principal may permit such questioning if the parent/guardian cannot be reached. The principal shall be present during the questioning.

**Weapons and Substance Abuse Questioning by Staff**

When questioning any pupil about possible possession, use, or distribution of proscribed substances, drug paraphernalia, alcohol, firearms or other deadly weapons, staff shall follow the procedures adopted by the board in compliance with administrative code.

## QUESTIONING AND APPREHENSION (Continued)

### **Generally**

The chief school administrator shall notify the board president when the police have sought to question a pupil in school, and the outcome of the incident.
