BOARD OF EDUCATION WEBSITE

For the purposes of keeping the community informed, the Board authorizes the District Web Manager to coordinate and oversee a school district website to be maintained on the Internet. All items to be posted on the website shall be approved by the Web Manager, or designee, prior to posting. In the event the Web Manager finds certain material that is submitted to be posted should not be posted, the Web Manager shall seek approval of the Superintendent of Schools prior to posting such material. In the event the Superintendent, upon review of the material from the Web Manager, believes the material should not be posted on the website, the material shall not be posted.

Under no circumstances shall student photos be posted on the district website. Video images of student performances may be posted only in the event that parents or guardians of all students depicted in the video have granted express permission for their child's image to be shared on the Internet. Such videos shall be posted on the Internet for a period not to exceed five days from the date of posting, without exception.

The types of information that may be posted on the website include, but are not limited to:

- Board Meeting public agendas
- Board Meeting approved minutes
- Board of Education policies
- Selected Board of Education policies
- Board of Education regulations
- Selected Board of Education regulations
- Board of Education meeting dates
- School District Newsletter Information
- Information regarding school times, closings, procedures, schedules
- Frequently asked questions as they relate to Board functions
- School Administration Information
- Job descriptions
- Curriculum updates
- Job postings
- Test score information from the School Report Card
- School E-mail information
- Student performances
- PTO meeting minutes
- And any other information the Superintendent determines appropriate for posting on the website.

Materials containing political or editorial points of view shall be prohibited from the website.

BOARD OF EDUCATION WEBSITE (Continued)

The Board and Superintendent shall periodically evaluate the effectiveness of the school district website and this policy.
