

Larchmont Swim Club

Join us for a summer of swim, sun, and fun in your own backyard at Larchmont Swim Club. We offer 5 pools for swimmers of all skill levels and lessons are available for novice and advanced swimmers to further develop their abilities in the pool. Space is available for you to host your next family party or business outing while enjoying all that the club has to offer. We are the Home of the Barracuda Swim Team that fosters a team friendly environment for swimmers ages 4-18 while developing the appropriate skills of all individual abilities. Friendly lifeguards create a safe environment for your family to soak in the good times all summer long. We hope you'll make Larchmont Swim Club your home for the 2024 Summer.
