

MAKING LIVES BETTER EVERY DAY!

Do you know, love, or teach someone with autism?

POAC Autism Services, a 501(c)3 nonprofit organization, is making life better every day for every child and adult with autism in New Jersey. More children are diagnosed with Autism Spectrum Disorder (ASD) each year than AIDS, cerebral palsy, cystic fibrosis, muscular dystrophy, and cancer combined. POAC supports ongoing, quality autism research and legislative issues.

Additionally this organization is committed to helping meet the needs of those with autism who are here now. In the home, in the classroom, and in the community, POAC has become a bastion of support and a beacon of hope to the autism community!

WHAT WE DO

POAC helps individuals with **Autism Spectrum Disorder (ASD)** achieve their fullest potential in their homes, schools, and communities.

POAC is meeting the needs of those with autism in very real ways. Our fundraising events and the support of our members are what fuels all our programs. If you love or teach someone with ASD in New Jersey, you have been impacted by POAC. Please consider joining as a paying member. Your member dollars go directly to support all of our programs and impact thousands each year.

Providing Year Long Recreational Events for the Entire Family

These events are safe, welcoming environments where children and adults with autism can be themselves in a non-judgmental setting. Siblings are always welcome.

Building Awareness and Acceptance in Schools

POAC provides autism awareness programs and assemblies for students grades K - 12. These help foster an environment of understanding for children on the autism spectrum.

Saving Lives and Keeping our Children and Adults Safe

POAC provides specialized training for police, first responders, and families. This training has been directly credited with saving lives all over New Jersey.

Offering a Multitude of Training Opportunities

POAC's workshops provide a base of knowledge and understanding of autism and the teaching techniques needed to improve outcomes for students, and have a direct impact on families.

You can join right online at www.poac.net. We offer exclusive Corporate Sponsorship Opportunities for many of our events. For more information please contact us at: info@poac.net or call the POAC office at 732-785-1099.
